Students,

Students please review your statement on my union. If you still have a balance, your student account will have a BO hold and you will not be able to confirm in the Fall semester. Before being able to confirm, you will need to contact me about paying your balance prior to Fall confirmation.

If you still have haven't filed your 2020-2021 FAFSA or you are still with KHEAA verification, this will have to be completed before you can confirm.

If you have questions, please email me or if you need help with verification or filing your FAFSA you will need to contact Financial aid.

Thank you,

Deloria Faulkner
