The Campus Activities Board (a.k.a. CAB) has been working hard all summer to ensure your first weekend on campus is unforgettable! CAB is an organization open to all students interested in helping plan campus events--everything ranging from concerts, movie nights, comedians to game shows, intramural sports and festivals! We are excited to kick off the school year and have many events for you to be a part of. All of our events are at no cost to Union College students, and we encourage you to attend as many events possible.
