

BE THE SPARK.

GET INVOLVED. INSPIRE OTHERS. BLAZE YOUR PATH.

Your studies are just the start: There's so much more to life at Union.

Our gorgeous mountains, rivers, and lakes are a playground for hiking, biking, kayaking, or just hanging a hammock and relaxing.

Major events including Welcome Weekend, Homecoming, and Springfest bring the entire campus together.

And then there are 25+ clubs and student organizations. Gamer? You'll want to check out the Social Players Guild. Into service? Dig into Union's community garden, tutor local kids, or apply for our Common Partners program.

With everything from intramural sports to faith groups to music and academic interest clubs, there's sure to be something that sparks your interest. As one of our students says, "If you're bored here, it's your fault."
