FEEL THE WARMTH.
JOIN THE UNION COMMUNITY.

This is one seriously friendly campus. Everyone at Union is dedicated to watching you and helping you succeed—professors, staff, and other students. You have to do your part, of course. And that starts with making sure you’re ready to transfer.

To be admitted to Union as a transfer student, you must:
• Be in good standing at an accredited college or university.
• Have a GPA of at least 2.0 on a 4-point scale.
• Be ready to jump in and be part of our campus community.

NO SWEAT.
We’ll review your transcript before you apply to let you know which credits will transfer.
