FIRE ON THE MOUNTAIN
One spark is all it takes.

At Union College, we have a long history of helping students catch fire – mind, body, and spirit.

By the time you graduate, you’ll glow with it.
FEED YOUR INTELLECTUAL FIRE.

SMALL CLASSES. ENLIGHTENING PROFESSORS. THE HEAT IS ON!

You can’t hide here – most of our classes have no more than 20 students. You’ll know your professors and they’ll know you. Our faculty are experts in their fields – and at spotting (and feeding) the fire within their students.

Your professors’ spirit and passion for their subjects will spread like wildfire – in the best possible way. Don’t be surprised if you suddenly find yourself immersed in a subject you’d never even considered before.

Our curriculum tends to do that. Union’s liberal arts core means that no matter what your major, you’ll take classes in subjects like history, English, science, math, language and culture, psychology, and religion.

Think your brain can’t sweat? It’ll happen here.

30 MAJORS TO LIGHT UP YOUR BRAIN.

Majors
- Accounting*
- Athletic Training
- Biology*
- Business Administration*
- Chemistry*
- Computer Information Technology*
- Criminal Justice*

Our graduates are red-hot in the workplace. You’ll find Union alumni across the country and around the world. Some are pursuing graduate and professional degrees. Others are teachers, coaches, doctors and surgeons, business leaders, Peace Corps volunteers, journalists, pharmacists, Secret Service agents, and Nobel Prize winners.

Here are just a few of the places you’ll find our graduates:

- American Greetings Corporation
- BellSouth
- Clear Channel Radio
- Cleveland Clinic
- Coca-Cola
- FedEx
- Kentucky public schools
- Proctor & Gamble Fund
- WLEX-TV 18

Whatever they’re doing, you can be sure that they’re inspiring others to catch fire.
BE THE SPARK.

GET INVOLVED. INSPIRE OTHERS. BLAZE YOUR PATH.

Your studies are just the start: There’s so much more to life at Union.

Our gorgeous mountains, rivers, and lakes are a playground for hiking, biking, kayaking, or just hanging a hammock and relaxing.

Major events including Welcome Weekend, Homecoming, and Springfest bring the entire campus together.

And then there are 25+ clubs and student organizations. Gamer? You’ll want to check out the Social Players Guild. Into service? Dig into Union’s community garden, tutor local kids, or apply for our Common Partners program.

With everything from intramural sports to faith groups to music and academic interest clubs, there’s sure to be something that sparks your interest. As one of our students says, “If you’re bored here, it’s your fault.”
Imagine living with a few hundred of your closest friends. You will be, in our three traditional residence halls or campus apartments. Residence halls are crackling with popular activities like movie nights and costume parties. Our dining hall serves up lots of options to fuel you. Conversations Coffee Shop is the spot on campus for your Starbucks fix. And you’ll find everything from snacks to live music at the Café on the second floor of the Campus Center.

Right next door is the Game Room – billiards, ping-pong, video games, and board games are waiting for you. There’s even a campus lake for fishing and paddling.
GET FIRED UP.

The Union Bulldogs know how to turn up the heat.

14 sports, 24 teams. More than 100 conference championships, 44 national tournament appearances, 5 national championship teams – and we're just getting warmed up.

Here’s what it takes to be a Bulldog. Commitment. A never-give-up attitude. And plenty of fire – on and off the field. (That’s right – we expect our student-athletes to tackle their classes with the same spirit as their sport.)

Union is a proud member of the NAIA. Our teams compete in the Appalachian Athletic Conference, Mid-South Conference (football, bowling), and the Southeastern Collegiate Cycling Conference.

Archery (Co-ed)  
Basketball (M)  
Basketball (M, W)  
Bowling (M, W)  
Cheerleading (coed)  
Cross Country (M, W)  
Cycling (coed)  
Dance (coed)  

Football (M)  
Golf (M, W)  
Soccer (M, W)  
Softball (W)  
Swimming (M, W)  
Tennis (M, W)  
Track & Field (M, W)  
Volleyball (W)  

get fired up.
READY TO CATCH FIRE?
START HERE. IT’S EASY.

1. Apply online at unionky.edu/apply.

2. Request official transcripts from all high schools you’ve attended. Your guidance office can send them directly to Union. You must have at least a 2.0 and meet the required 22 high school credits as required by the Kentucky Pre-College Curriculum. We recommend: English (4 units); Mathematics (3 units); Laboratory Science (2 units); Social Science (2 units). We also recommend taking a foreign language.

3. Take the ACT or SAT and have your scores sent to Union.

4. Complete the Free Application for Federal Student Aid (FAFSA) before February 1 or as soon as possible and have your results sent to Union (code: 001988).

5. Come visit campus and feel the Union fire for yourself. Unionky.edu/campusvisit
